Hello Annegret,

LETTER OF APPRECIATION

On behalf of the students and the community we expressed our sincere appreciation on the gifts which includes chairs, tables and boxes containing books we received from you. The gifts will no doubt go a long way in effective academic excellence service delivery thereby aiding student in academic dream realization.

The presentation was honored by the Mayor, Alkalo, Village Development Committee (VDC), students and community members in which pictures and video footages were taken as memoirs in remembering your benevolence and kind contribution to academic excellence in our community and beyond.

Conversely, the Mayor in his speech conveyed the special thanks from his municipality and hope for a long lasting cordial and fruitful relationship between you and Edrisa Colley that will continue contributing immensely to the live and livelihood of less privilege communities. Thus, hoping to receive more gifts that will definitely contribute in academic excellence and other sectors geared towards community development.

The school principal, Alkalo among other speakers in the beneficiary community equally welcomed the gift and expressed utmost delightedness as the gifts will go long way in promoting academic excellence in the community.

Thus, we are thanking you, your family and the rest of your peoples who contributed in one way or the other in making the gifts available to our community and praying for God's utmost infinite blessings, good health, and happiness to rinse on you all.

Yours's sincerely,

Samsideen Colley
